

The Mohammed VI Foundation for Environmental Protection's Social and Environmental Responsibility Charter

PREAMBULE

- Highly aware of the value of the mandate given to the Foundation by **His Majesty King Mohammed VI**, may God assist him, and the social and moral responsibility that the patronymic confers to the Mohammed VI Foundation for Environmental Protection;
- Proud to act under the Chair of **H R H Princess Lalla Hasnaa**;
- Committed to serving the protection of the environment and acting for the sustainable development of our country and planet with all stakeholders who can contribute to awareness, education and exemplary action.

PRINCIPLES

The Mohammed VI Foundation for Environmental Protection:

- Operates under the banner "ALL FOR ENVIRONMENT" and strives to develop a federating approach so that the prevention of environmental pollution, preservation and restoration of the natural environment and biodiversity balance are everyone's responsibility,
- Cooperates with all stakeholders whose positions or roles can protect the sustainability of the natural environment and contribute to the development of our country, including schoolchildren, junior high school students, high school students, students of higher education, teachers and researchers, citizens, associations, companies, administrations and local authorities,

- Organizes and acts independently, without profit, in accordance with the law, to effectively accomplish its duties, and through continuous evaluation and improvement of its programs, ensuring reliability and tight control of its administrative and financial management and transparency of its governance,
- Urges its partners to refrain from any action detrimental to the Foundation's commitments or to its image in Morocco and abroad,
- Refrains, and commits its partners to prohibiting all forms of discourteous, discriminatory or violent behavior, and to ensuring the prohibition of all forms of corruption, to preventing conflicts of interest and direct or indirect involvement, public or private, in any action to deliberately damage the environment or denigrate the universally accepted principles and objectives of environmental protection, respect for human rights and sustainable development.

Associate members, directors, officers, partners, staff and associates of the Mohammed VI Foundation for Environmental Protection undertake to respect the Mohammed VI Foundation for Environmental Protection's Social and Environmental Responsibility Charter.
